

Tirana, October 7, 2014

Invitation

Partners Albania, Center for Change and Conflict Management is pleased to invite you to the international debate on “Development of Social Enterprises”. The event will be held on **October 14, 2014 9:30 am**, at the **Tirana International Hotel, Abret** hall.

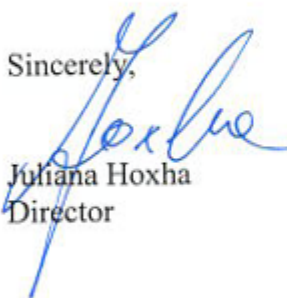

To follow up the Partners Albania contribution in the social enterprises development, the debate will bring together actors from institutions influencing SE development from state agencies, SE representatives, academic institutions, development agencies and donor agencies. The debate will feature best practices and challenges from European countries partners in the project from Belgium, Croatia, Czech Republic, Serbia and the UK.

The international debate will be held in the frame of the project “Joint Citizen Action for a Stronger, Citizen-Friendly Union” (JoiEU) under the “Europe for Citizens” program.

The “Development of Social Enterprises” international debate is part of the project, which focus on coordinating debate and action in 13 European countries (Rumania, Netherlands, Estonia, Serbia, Croatia, Italy, Belgium, Denmark, Czech Republic, Cyprus, Spain, Bulgaria and Albania) on a set of issues related to citizen participation and strengthening the citizen base of a deeper European integration. The project is funded by the European Union and implemented by a group of international partners led by ProInfo (Bulgaria).

Thank You in advance for your participation.

Sincerely,

Juliana Hoxha
Director
